

Dear Friends of Dublin Counseling Center:

The Dublin Irish Festival will be held July 31 – August 2nd, 2009. Attached is a schedule of the Dublin Irish Festival Event Fund Partnership volunteer shifts. As many of you may know, Dublin Counseling Center has participated in this community event for many years ~~ as a support to the City AND a fundraiser for the Counseling Center. It is a wonderful opportunity for us to raise awareness of the Counseling Center through our presence at this event. We would like to continue this wonderful community activity but we need your help! We also reap the benefits on a percentage basis from the total sales throughout the weekend.

Please consider volunteering your time to help fill these shifts. The work can be tough, but it is also great fun. If you, your spouse, your adult children, your neighbors or your friends can help out in any way, please let me know. Students [age 16 or older] can receive community service credit for volunteering. Thanks for your consideration. I will be happy to put you on the schedule.
