

“LIVE A DAY IN MY LIFE!”

[...Says a Dublin Teen]

WEDNESDAY, FEBRUARY 24
DUBLIN REC CENTER
7:00 P.M. TO 9:00 P.M.

Dublin students from Coffman, Jerome and Scioto (representing Dublin ACT, National Honor Society, Athletes, Senate, Cabinet, Band, Theatre, Clubs and Organizations) will speak about:

1. What are the top three issues which affect the health and safety of middle school students?
2. What are the top three issues which affect the health and safety of high school students?
3. WHAT CAN ELEMENTARY, MIDDLE SCHOOL AND HIGH SCHOOL PARENTS DO TO HAVE A POSITIVE IMPACT ON THOSE ISSUES?

What do some Dublin City Schools High School students say when asked about issues which affect their health and safety...answers included drugs and alcohol, driving, sex, bullying, body image, and social status.

Here's what some kids say parents can do.....

“Make sure kids know he/she can trust their parents with anything.”

“Kids respect parents who make the right choices for their own lives.”

“Parents need to talk to the kids about these issues.”

“Never say never...great kids can make poor decisions.”

(That's just a start of the teen/parent discussion that will take place!)
